The Lewis and Clark County Genealogical Society decided to photocopy with digital cameras, the Indexes to the Probate Records in the County Clerk of Court's archives in the attic of the Courthouse, 228 Broadway, Helena, Montana, 59601, phone 406 447 8216. This two-year project was an effort of many volunteers. This Index covers the years 1865 through 1979 and includes the Name, Book and Page where you can find the actual document, Will number (when given), and Probate Date of over 12,000 deaths.

Much editing time was given to making this information accurate and easy for researchers to access old records that have been buried in archives.

Al Stoner and Del Harris compiled the results of all the volunteer efforts. Enjoy!!!
