

## Helena Schools Enrollment Cards

These cards were given to us by the school district. Our index includes child's name, birth date and place. Birth dates range from 1883 to 1934. This database includes 12,222 individual cards. The index cards also have lines for residence, age at time of enrollment, previous school, when vaccinated, name of parent or guardian, what school attending, when enrolled, grade, transferred to, change of residence and remarks. Some of these are brief, others are completely filled out.
